

PROFILE A communication designer who builds what he designs. I take websites from concept to live — brand sites, interactive experiences, product landings, each with its own visual language. Design and frontend in one hand: no handover point.

PRACTICE	03/2026 – present	Nullpunkt — own lab for web design and frontend Berlin, freelance - Designed and built 21 websites, all deployed live — brand sites, e-commerce, interactive experiences. - Two rebuilds from someone else's design (Figma Community): read the brief, match the layout exactly, no framework. - Every project on its own design system — tokens, three type roles, WCAG 2.1 AA, prefers-reduced-motion.
	2020 – 10/2025	Freelance communication designer Berlin - Logo and visual identity for small businesses in Berlin — restaurants, small shops, sole traders. - Print from idea to press-ready files: menus, flyers, business cards, posters.
	2008 – 2016	Hospitality Berlin Eight years of day-to-day operations: shift responsibility, guest contact, working under time pressure.

EDUCATION & FURTHER TRAINING	10/2025 – 03/2026	Further training: UI/UX web design & frontend — full time, 71 days WBS TRAINING, Berlin · HTML5, CSS, JavaScript, React, Figma · WBS certificate
	2016 – 2020	Communication Design — graduated as Kommunikationsdesigner HTK Akademie, Berlin
	2006 – 2008	Mittlerer Schulabschluss (secondary school certificate) Emanuel-Lasker-Schule, Berlin
